

7.0 MONITORING ACTION IN THE SECOND NATIONAL URBANISATION POLICY

CHAPTER 7.0: MONITORING ACTIONS IN THE SECOND NATIONAL URBANISATION POLICY (NUP2)

The NUP2 has identified 62 strategies and 113 actions for Peninsular Malaysia and Federal Territory of Labuan to be implemented by federal, state and local agencies.

The implementation of actions have been categorised into three (3) time frames -

- **Short term – 2017 (Monitoring in 2018)**

A total of 38 actions in Peninsular Malaysia and Federal Territory of Labuan have been identified for this time frame.

- **Medium term – 2017 to 2020 (Monitoring in 2021)**

A total of 64 actions in Peninsular Malaysia and Federal Territory of Labuan have been identified for this time frame.

- **Long term – 2017 to 2025 (Monitoring in 2023)**

A total of 11 actions in Peninsular Malaysia and Federal Territory of Labuan have been identified for this time frame.
